Transport Services Business.

This business has been established over 11 years and has an excellent reputation in the industry.

The owner and founder has been involved in the industry for over 30 years.

The business is currently delivering health foods and vitamin supplements to the Sydney metropolitan and country areas.

The Company's major clients are long established, highly reputable and progressive establishments. The Company will in the future expand into distribution of various food items which will have a flow on benefit to the new owner.

In the 11 years of business a network of associates, suppliers, and potential customers has been well established.

This is an opportunity to walk in to a solid business and grow it further.

The new owner will take over the existing runs which are in place and contracted as a preferred distributor through to 2013.

The current owner is willing to assist with the transition to the new owners.

The sale includes two trucks in very good condition worth \$30,000.

Employees- 1 owner driver plus casuals as required.
